

1 注册微信公众平台

地址:<https://mp.weixin.qq.com/>

2 注册微信小程序

按照要求填写您海外公司信息完成注册

注意：信息登记需要与在 AlphaPay 开户的主体一致

3 登录公众平台完成微信认证

4 与 AlphaPay 对接

- 1) 提供您小程序的 Appid 给 AlphaPay
- 2) 参考 AlphaPay 接口文档
http://www.alphapay.ca/api/cn.html#api-Miniprogram_Payment

附录:

小程序支付 demo

```
wx.login({
  success: function (data) {
    if (data.code) {
      wx.request({
        url: '...',
        method: 'GET',
        header: {'Content-Type': 'application/json'},
        success: function (res) {
          wx.request({
            url: 'https://pay.alphapay.ca//api/v1.0/gateway/partners/{partner_code}/microapp_orders/{order_id}?time=xxx&nonce_str=xxx&sign=xxx',
            method: 'PUT',
            data: {
              description: description,
              price: price,
              currency: currency,
              notify_url: notify_url,
              operator: operator,
              appid: appid,
              customer_id: customer_id,
            },
            success: function (res) {
              that.setData({
                loading: false
              });
              wx.requestPayment({
                timeStamp: res.data.timeStamp,
                nonceStr: res.data.nonceStr,
                package: res.data.package,
                signType: 'MD5',
                paySign: res.data.paySign,
                success: function (res) {
                  //next if success
                },
                fail: function (res) {
                  // next if fail
                }
              })
            }
          })
        }
      })
    }
  }
})
```

调用login获得code

使用code获取open_id

请求AlphaPay小程序接口获取支付所需参数

调用微信接口发起支付
